<b>Departed Members:</b>	One minute silence observed for departed Members
<b>Correspondence Inwards:</b>	Nil.
<b>Minutes of Previous Annual General Meeting:</b>	Minutes of Annual General Meeting held on 21 <sup>st</sup> October, 2023 be taken as read and received.  Moved David Gall, Seconded Chris Brannock that the minutes be received and adopted. <div>CARRIED.</div>
<b>Business Arising from Minutes:</b>	Nil.
<b>Annual Reports &amp; Balance Sheet</b>	Daryl stated it had been a challenging year with cost-of-living expenses contributing to less expendable income. Last few months have been better with better restaurant and bar trading. Have done well in comparison to a lot of other clubs. Need to start planning for the future. Cronulla Bowls club has been doing well, congratulations to the management team. Thank you to Craig and Tom for keeping the greens in such a good condition. Thank you to other Board members.

Trent Atlee reported on the Club's finances and read through the Profit and Loss for the year ending 2024.

Trent stated the Australian Auditing standards were complied with. There was full co-operation and no issues encountered. This has been a more difficult year after coming off a few years of profit. It is not an isolated occurrence with other clubs and businesses facing the same outcome. Cost of living, high interest rates etc has seen the reduction in discretionary spending which has had an impact on trading income. Non trading areas have been fairly consistent. There was a net loss of \$254272. The balance sheet is in a strong financial position with the Club owning the land and buildings which provides opportunities moving forward not fully focused on gaming.

Moved Chris Brannock, Seconded Max Degroot that the Annual Report and Balance Sheet be received and adopted.

There was no significant change in the nature of the activities of the company during the financial year.

### **How these activities assist in achieving the objectives**

The principle activities of the company contributed to achieving the objectives by providing a stable financial position which enabled the company to maintain and upgrade our facilities and services for members and their guests.

### **Performance measurement and key performance indicators**

The company's financial performance is measured against the set budget and benchmark data from the club industry. The key performance indicators evaluated are gross profit percentages, wages costs and ratios, membership and visitor statistics and cash flow.

The non-financial performance is assessed by members' feedback, staff turnover, industry comparisons, and market research.

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025**

---

### **1 Summary of Significant Accounting Policies**

The financial statements cover Cronulla Bowling & Recreation Club Limited (the company) as an individual entity. Cronulla Bowling & Recreation Club Limited is a company limited by guarantee, incorporated and domiciled in Australia.

#### **Basis of Preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures issued by the Australian Accounting Standards Board (AASB) and the Corporations Act 2001. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The financial statements are presented in Australian dollars, which is the company's functional currency, and have been rounded to the nearest dollar.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements were authorised for issue on 04 August 2025 by the directors of the company.

#### **Accounting Policies**

##### **Cash and Cash Equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

##### **Trade and Other Receivables**

Trade receivables are recognised initially at the transaction price (i.e. cost) and are subsequently measured at cost less provision for doubtful debts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

At the end of each reporting period, the carrying amount of trade and other receivables is reviewed and an allowance for doubtful debts is recognised when there is objective evidence that individual receivables are not recoverable.

**Inventories**

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a weighted-average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the costs necessary to make the sale. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

**Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

**Property**

Freehold land and buildings are shown at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial, valuations by external independent valuers, less subsequent depreciation for buildings.

In the periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct directors' valuations to ensure the land and building's carrying amount is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the statement of comprehensive income.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

**NOTES TO THE FINANCIAL STATEMENTS**

---

**Plant and equipment**

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

The cost of fixed assets constructed within the company includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of profit or loss and other comprehensive income during the financial period in which they are incurred.

**Depreciation**

The depreciable amount of all fixed assets including building and capitalised lease assets, but excluding freehold land, is depreciated on a straight line basis over the asset

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Plant & Equipment	5.0 - 33.3%

The estimated useful life for each class of depreciable assets are:

Class of Fixed Asset	Useful Life
Buildings	40 Years
Plant & Equipment	3-20 Years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of the reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of profit or loss and other comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025**

### **Leases**

#### **The company as a lessee**

The company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. In such instances, the company recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements, except for short term leases, cancellable leases that if cancelled by the lessee the losses associated with the cancellation are borne by the lessor and low value leased assets. For these leases, the company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

#### **Measurement and presentation of lease liability**

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the company uses its incremental borrowing rate.

The following items are also included in the measurement of the lease liability:

- Fixed lease payments offset by any lease incentives;

- Variable lease payments, for lease liabilities which are tied to a floating index;

- The amounts expected to be payable to the lessor under residual value guarantees;

- The exercise price of purchase options (if it is reasonably certain that the option will be exercised); and

- Payments of penalties for terminating leases, if the lease term reflects the lease terminating early.

The lease liability is separately disclosed on the statement of financial position. The liabilities which will be repaid within twelve months are recognised as current and the liabilities which will be repaid in excess of twelve months are recognised as non-current.

The lease liability is subsequently measured by reducing the balance to reflect the principal lease repayments made and increasing the carrying amount by the interest on the lease liability.

The company is required to remeasure the lease liability and make an adjustment to the right of use asset in the following instances:

- The term of the lease has been modified or there has been a change in the company assessment of the purchase option being exercised, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;

## **CRONULLA BOWLING & RECREATION CLUB LIMITED**

**ABN: 71 292 787 361**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025**

---

A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate; and

The lease payments are adjusted due to changes in the index or a change in expected payment under a guaranteed residual value, in which cases the lease liability is remeasured by discounting the revised lease payments using the initial discount rate. However, if a change in lease payments is due to a change in a floating interest rate, a revised discount rate is used.

#### **Measurement and presentation of right-of-use asset**

The right-of-use assets recognised by the company comprise the initial measurement of the related lease liability, any lease payments made at or before the commencement of the contract, less any lease incentives received and any direct costs. Costs incurred by the company to dismantle the asset, restore the site or restore the asset are included in the cost of the right-of-use asset.

It is subsequently measured under the cost model with any accumulated depreciation and impairment losses applied against the right-of-use asset. If the cost of the right-of-use asset reflects that the company will exercise a purchase option, the right-of-use asset is depreciated from the commencement date to the end of the useful life of the underlying asset. Otherwise, the company depreciates the asset over the shorter period of either the useful life of the asset or the lease term. The depreciation starts at the commencement date of the lease and the carrying value of the asset is adjusted to reflect the accumulated depreciation balance.

Any remeasurement of the lease liability is also applied against the right-of-use asset value.

The right-of-use assets are presented within Property, Plant and Equipment in the statement of financial position.

#### **Intangibles**

##### **Poker machine entitlements**

Poker machine entitlements are carried at cost less accumulated impairment losses. Poker machine entitlements are not amortised as they are deemed to have an indefinite useful life. Poker machine entitlements are tested for impairment annually.

#### **Trade and Other Payables**

Trade and other payables represent the liabilities at the end of the reporting period for goods and services received by the company that remain unpaid.

Trade payables are recognised at their transaction price. The carrying values are considered to be a reasonable approximation of the fair values. Trade payables are obligations on the basis of normal credit terms.

**Employee Benefits**

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

**Revenue and Other Income**

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the company and specific criteria relating to the type of revenue as noted below, has been satisfied.

All revenue is stated net of the amount of goods and services tax (GST).

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

**Sale of goods**

Revenue from the sale of goods comprises revenue earned from the provision of food, beverage and other goods to members and other patrons and is recognised at the point the goods are provided as this corresponds to the transfer of significant risks and rewards of ownership of the goods.

**Rendering of services**

Revenue from rendering of services comprises revenue from gaming facilities together with other services to members and other patrons and is recognised when the services are provided.

**Membership subscriptions**

Membership subscriptions paid in advance are initially recognised as a liability. Revenue is recognised on a straight line basis over the membership period, based on the membership category for which subscriptions have been received.

**Sale of property, plant and equipment**

The gain or loss on disposal of property, plant and equipment is calculated as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposal (including incidental costs) and is recognised as other income or other expenses at the date control of the asset passes to the buyer.

**ABN: 71 292 787 361**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2025**

---

**Other income**

Other income is recognised on an accruals basis when the company is entitled to it.

**Borrowing Costs**

All borrowing costs are recognised as an expense in the period in which they are incurred.

**Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

**Income Tax**

The company is considered to be exempt from income tax under Section 50-45 of the Income Tax Assessment Act, being a non-profit organisation, not carried on for the purpose of profit or gain to its individual members and which was established for the encouragement of a game or sport. Accordingly, no account for income tax has been taken in these financial statements.

**Comparatives**

Comparative figures have been adjusted to conform to changes in presentation for the current financial year.

**Critical Accounting Estimates and Judgments**

The preparation of the financial statements requires management to make estimates and judgements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

*Key estimates - Estimation of useful lives of assets*

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly to those estimated.

*Key judgments - Impairment of non-financial assets*

The company assesses impairment of non-financial assets at each reporting date by evaluating conditions specific to the company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

*Key judgments - Long service leave provision*

The liability for long service leave is recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at reporting date. In determining the present value of the liability, attrition rates, salary growth rates and an appropriate discount factor have been considered.

**Valuation**

An independent valuation of the company's land and buildings was carried out on 30 April 2025 by registered valuers, Howden Insurance Brokers (Australia) Pty Limited. The valuation has been performed on the basis of Fair Value for financial reporting purposes. The valuation of land was \$29,300,000 and the valuation of buildings was \$4,700,000. The directors have chosen to adopt the land and buildings valuation figures as of 30 June 2025. Where appropriate, book values were adjusted and movements transferred to an asset revaluation reserve account.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF CRONULLA BOWLING & RECREATION CLUB LIMITED  
ABN: 71 292 787 361**

**Auditor's Opinion**

We have audited the accompanying financial report of Cronulla Bowling & Recreation Club Limited (the company), which comprises the statement of financial position as at 30 June 2025, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the accompanying financial report of the company is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the company's financial position as at 30 June 2025 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards - Simplified Disclosures and the Corporations Regulations 2001.

**Basis for Auditor's Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement. Our responsibilities under those standards are further described in the Auditor's Responsibility section of our report.

We are independent of the company in accordance with the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other Information**

The directors of the company are responsible for the other information. The other information comprises the information included in the directors' report, but does not include the financial report and our auditor's report thereon.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF CRONULLA BOWLING & RECREATION CLUB LIMITED  
ABN: 71 292 787 361**

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Directors' Responsibility for the Financial Report**

The directors of the company are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Corporations Act 2001 and Australian Accounting Standards - Simplified Disclosures and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF CRONULLA BOWLING & RECREATION CLUB LIMITED  
ABN: 71 292 787 361**

We identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors.

We conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

We evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
